

## PROFESSIONAL SUMMARY

---

With a degree in Land Resource Planning and an AutoCAD certificate, I excel in spatial planning and resource management. Specializing in floor plans and 2D projects, I bring strong theoretical knowledge and practical drafting skills to deliver precise, innovative design solutions.

## SKILLS

---

- Technical proficiency in AutoCAD and ArchiCAD
- Strong sense of spatial relationships and design principles.
- Keen eye for detail to ensure precision in drawings and models.
- Ability to create innovative and aesthetically pleasing designs.
- Knowledge of engineering principles and structural requirements.
- Ability to manage time effectively and meet project deadlines.
- Ability to analyze and improve design processes.
- Ability to adapt to new tools, technologies, and methodologies.
- Commitment to continuous learning and skill improvement.
- Familiarity with architectural design principles and building codes.

## EXPERIENCE

---

### **Personal Projects**, January 2024 – Date

- Carrying out of structural detailing of different designs.
- Drafting a variety of plans in 2D and 3D
- Polishing my use in fundamental AutoCAD commands

### **Freelancer, Fiverr**, Jan 2024 - Date

- I offer services to transform ideas into precise, professional AutoCAD drawings.
- I convert images, PDF or sketch to AutoCAD drawing.

### **Intern, Cadasmaps Survey**, August 2023 - December 2023

- Conducted ground truthing on Mango Park to ensure leveling as per specifications.
- Designed different buildings structures and compound by using ArchiCAD and AutoCAD.
- Developed maps on ERDAS Using area coordinates and generated images using Landsat Satellites.

- Designed an improved outlook of assigned areas, through infrastructure improvements and additions that significantly enhance the local's experience.
- Determined the soil in Sandai irrigation scheme and the best utilization types suited for the area. This was to determine how to improve the livelihood of the residents.

## EDUCATION

---

### **Penn Foster College**

Certificate in AutoCAD Basics

Oct 2022 - Mar 2023

### **Jomo Kenyatta University of Agriculture and Technology Kenya**

Degree in Land Resource Planning and Management

Sept 2017-Dec 2023

### **St. Alberts Girls High School**

Kenya Certificate of Secondary Education

Feb 2013-Nov 2016

Assisted my fellow students with their computer projects and various computer aided design lessons.

## Language

---

- English: Fluent.
- Kiswahili: Fluent
